Halloween Parties

Halloween Parties

October 31st

Please see your child's teacher for more information.

Enhanced Learning Program

We kicked off our Enhanced Learning Program in mid-September. The children and staff have made a smooth transition.

As we prepared for this program, we thought how awesome it is that we will share the skills and strengths of our teachers. Their knowledge and passion is amazing. We did not anticipate how comfortable the children would feel in meeting these new teachers.

We believe this program will also benefit the children as they move into older classrooms.

Vision Screening

Oakland County Health Division will be here on October 20th

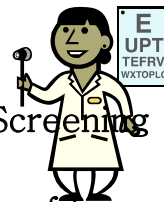

&

October 21st

in the morning to do vision Screening on

all children between the age of four and five.

If your child is not scheduled to attend on these dates and you would like to bring them in to have this free service, please see Ms. Jeni in the office for times.

Fire Prevention Month

October is Fire Prevention Month.

We will have a visit from the fire station on

Monday, October 3rd & Tuesday, October 4th

Tumble Bus Update:

The bus is still out getting its makeover. We expect it to be ready for gymnastics fun by the end of October.

Meanwhile, Miss Stacey and the children are having a jumping good time at indoor gym.
